Question:

Senator MOORE: As they go through a range of departments, as we have already identified, will the owning department be responsible for the evaluation methodology of each element?

Ms Cross: That would be my expectation.

Senator MOORE: Can I put that on notice to find out what evaluation process is being considered and how that feeds back.

Answer:

It is standard practice that each agency is responsible for monitoring and evaluating the programmes and initiatives that they fund.

The Department of the Prime Minister and Cabinet has convened an inter-agency committee to monitor the implementation and evaluation of the Women's Safety Package.
