**Topic:** Labour Hire Agreements

**Senator:** Senator McAllister

**Question reference number:** 227

**Type of question:** Written

**Date set by the committee for the return of answer:** 2 December 2016

**Number of pages:** 3

**Question:**

For the 2015-16 financial year, please outline:

- a) How many staff were employed through labour hire arrangements;
- b) Total expenditure on labour hire staff;
- c) The contractors or labour hire firms engaged to supply these staff;
- d) Total payments to each of the organisations that provided staff through either a labour hire arrangement or other contractual arrangement; and
- e) The nature of the work performed by labour hire staff.

**Answer:**

a) The information required to respond to part (a) is not readily available as the Department of the Prime Minister and Cabinet's (PM&C) financial management system does not capture information at this level. To attempt to provide this information would require an unreasonable diversion of departmental resources.

b) Details of individual contracts have been reported on AusTender.

c/d) Labour hire firms engaged to supply staff are listed in the table below with the respective total amount to each firm also listed.

e) Work performed by labour hire staff is varied and is dependent on business needs of PM&C.
