Question No. 145

Senator Singh asked the following question at the hearing on 24 February 2014:

- 1) Does the AGD classification division have more than one office location within Australia? If so, where are the offices located?
- 2) Are there any plans for merging of offices?
- 3) Have any new leases or consultancies been entered into?

The answer to the honourable senator's question is as follows:

1. The Classification Branch is part of the Civil Law Division of the Attorney General's Department. The Classification Branch is located in Sydney and this is the only office of the Classification Branch.
2. As there is only one Classification Branch office there are no plans for merging of offices.
3. As at the 24th of February, no.
