Dear Ms Dunstone

Answers to Questions on Notice – AE15 - 103

It has recently come to our attention that the attachment to our answer to Question on Notice AE15-103 was incorrectly attached. It was an internal working document that we used to calculate expenses for the President and Commissioners. The draft attachment erroneously attributes an additional \$1009 of expenditure on accommodation in Vietnam to Mr Wilson. The accommodation expenses were in fact for 4 nights' accommodation for a staff member.

I attach an updated answer to Question AE15 – 103 for the Committee. Differences in the figures provided are due to additional costs and reimbursements that were attributed after we initially provided the answer.

Please pass on my apologies to the Chair and members of the Committee for the administrative error. As you will appreciate we had a large number of questions to answer with a very tight turnaround timeframe.

Yours sincerely
