

## QUESTION TAKEN ON NOTICE

### ADDITIONAL ESTIMATES HEARING : 23 February 2015

#### IMMIGRATION AND BORDER PROTECTION PORTFOLIO

#### **(AE15/089) - Enhancing Passenger Processing Systems - Programme 1.1 Border Management (ACBPS)**

Senator Bilyk, Catryna (L&CA 129) asked:

Senator BILYK: What was the cost of enhancing the passenger processing systems?

Mr Hoitink: I might need to take on notice the specific amounts. As I mentioned, we are still working with both Malaysia and Indonesia around the arrangements for these. What is identified in the document is some \$18.8 million. It is from within that budget arrangement that we are negotiating the arrangements for the APP establishment in those countries. Of course, what the funding might be is yet to be specifically identified.

Senator BILYK: Perhaps you could take that on notice.
