*Answer:*

1-5. The Department of Immigration and Border Protection (DIBP) grant administration, application and selection processes comply with the statutory and mandatory policy requirements as set out in the *Public Governance, Performance and Accountability Act 2013* (PGPA Act) and the Commonwealth Grants Rules and Guidelines (CGRGs). The guidelines contain the key legislative and policy requirements, and explain the better practice principles of grants administration. Entities determine their own grants administration practices in accordance with the CGRGs.

6. A Minister's role in approving grant expenditure is outlined in the PGPA Act. All parties involved in grants administration (including Ministers, Accountable Authorities, officials and third parties who undertake grants administration on behalf of the Commonwealth) must comply with government policies and legislation relevant to grants administration.

Neither the Minister nor the Minister's office has exercised or attempted to exercise any influence over the awarding of any grants.
