IMMIGRATION AND BORDER PROTECTION PORTFOLIO

**(AE17/085) - Migrant Workers' Taskforce website to report exploitation -
Programme 2.3: Visas**

Senator Watt, Murray (L&CA 134) asked:

Senator WATT: The reason I am asking is that one of the statements that came out I think quite recently from the Migrant Workers' Taskforce is that a new website is being set up for people to report exploitation. What budget do you have allocated for setting that up?

Mr Manthorpe: I do not think that is in our portfolio.

Senator WATT: Is that in the minister's portfolio, employment? Or—

Senator Cash: We can take that on notice for you.

Answer:

The development of the online reporting tool is the responsibility of the Fair Work Ombudsman (FWO). Questions about the online reporting tool should be directed to the FWO.
