

**QUESTION TAKEN ON NOTICE**

**ADDITIONAL ESTIMATES HEARING : 27 February 2017**

**IMMIGRATION AND BORDER PROTECTION PORTFOLIO**

**(AE17/125) - Weapons and armoury - New armoury - Internal Product (DIBP)**

Senator Carr, Kim (L&CA) written:

Given the new building will include an armoury, please provide an outline of the size and security measures in place to protect the weapons housed within the armoury. Please advise expected cost of the armoury for build and fitout.

*Answer:*

The armoury will be approximately 90<sup>2</sup>m. Security measures in place will be equivalent to those applied at existing ABF facilities. Further detailing these measures on the public record would present a risk to protective security arrangements. The estimated cost of construction of the armoury is \$212,000 (ex. GST).
