

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
ATTORNEY-GENERAL'S DEPARTMENT

Program: Whole-of-Portfolio

Question: BE14/135

Senator Ludwig asked the following question at the hearing on 26-29 May 2014:

1. List the current inventory of computers owned, leased, stored, or able to be accessed by the Ministers office as provided by the department, listing the equipment cost and location and employment classification of the staff member that is allocated the equipment, or if the equipment is currently not being used.
2. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location.
3. Please detail the operating systems used by the department's computers, the contractual arrangements for operating software and the on-going costs.

The answer to the honourable senator's question is as follows:

- 1-3: The department has a range of ICT equipment that it provides to the ministers' offices or maintains for departmental use. To attempt to provide the level of detail requested for the portfolio would involve an unreasonable diversion of resources.
