Senator Ludwig asked the following question at the hearing on 26-29 May 2014:

1. How much has the Department/Agency spent on Advertising since Additional Estimates in February, 2014? Including through the use of agencies.
2. Please detail each advertising campaign including its cost, where the advertising appeared, production costs, who approved, ministerial or ministerial staff involvement in commissioning.

The answer to the honourable senator's question is as follows:

1. The portfolio's response to this question is set out in Table 1 below. This response covers the period 7 September 2013 to 29 May 2014. This Table lists only those agencies that spent money on advertising during this period.
2. To attempt to provide the level of detail requested from the portfolio would involve an unreasonable diversion of resources.
