**(BE14/255) PROGRAMME – 3.3 and 3.4: Illegal Maritime Arrival (IMA)
Onshore Management**

Senator Carr (Written) asked:

How will the money allocated to “managing the legacy of illegal maritime arrivals” be spent? Please provide details.

Answer:

This measure increases the department’s removal and compliance capability by extending mainstream compliance and removal functions to the Illegal Maritime Arrivals (IMA) legacy caseload. The funding provided will enhance the capacity of compliance, status resolution, case management and removals functions for IMAs who remain in Australia.
