Senator Conroy (Written) asked:

What processes have been put in place to ensure proper due process after the deportation of Australian citizens like Cornelia Rau?

*Answer:*

Since the recommendations produced by the inquiry into the circumstances of the immigration detention of Cornelia Rau (Palmer Report) and inquiry into the circumstances of the Vivian Alvarez matter (Comrie Report) in 2005, the Control Framework for Detention Related Decision Making has been implemented by the department to ensure that the risks involved in the engagement and detention of people with unresolved immigration status are sufficiently monitored.
