Dear Mr/s Haron

Thank you for your letter of 7 October 2014 to the Attorney-General, Senator the Hon George Brandis QC, regarding correspondence with Caliph Ibrahim, the leader of the Islamic State. The Attorney-General has asked me to respond on his behalf.

The Islamic State is listed as a terrorist organisation under Part 5.3 of the *Criminal Code Act 1995*. Under the Criminal Code, it is an offence to direct the activities of, be a member of, recruit for, provide training to, receive training from, provide funds to or receive funds from or provide support to, a terrorist organisation. It is also an offence to associate with a member of a listed terrorist organisation in certain circumstances where such association intentionally provides support to that organization. The penalties for these offenses are severe, and could be up to 25 years imprisonment.

The Attorney-General's Department does not provide legal advice to the members of the public and cannot address your specific question about the legality of corresponding with Caliph Ibrahim. Should you have further concerns about the legality of your proposed actions, you might like to consider obtaining professional legal advice.

Yours sincerely
