Senator Collins asked the following written question from the 27 and 28 May 2015 hearing:

1. In answer to Question No. AE15/142 the Council stated “The Council is in the final stages of the recruitment process for an International Development Manager for North Asia and an International Development Manager for North America.” Have those appointments been finalised? If not, will they proceed?

The answer to the honourable senator's question is as follows:

The Australia Council has appointed Rosemary Hinde as International Development Manager for North Asia. The Australia Council has suspended the recruitment process for an International Development Manager for North America with the intention of resuming this process in the second half of 2015.
