Dear Ms Dunstone

**Error of Fact correction to the Proof Hansard**

I write to correct an error of fact at page 52 of the Hansard from the Legal and Constitutional Affairs Committee Hearing on the 25th May 2015.

I wish to correct the statistic of number of shotguns detected for the 2014/15 financial year: the detected number should be 11 shotguns, not 21 as currently reflected in the Hansard.

Yours sincerely
