### BUDGET ESTIMATES HEARING : 25 May 2015

#### IMMIGRATION AND BORDER PROTECTION PORTFOLIO

#### **(BE15/033) - Seized Goods - Programme 1.1: Border Enforcement**

Senator Carr, Kim (L&CA 72) asked:

Senator KIM CARR: You have given details of the number of narcotics seized. How many claims of return of seized goods have there been? I am talking here of section 205B of the Customs Act. How many have there been since February?

Mr Quaedvlieg: I do not know. I will check to see if there is anyone leaping to answer that question. It would appear not, so that is another one I will take on notice.

Senator KIM CARR: Okay. Could you provide details of any claims, including the dates the claims were made, the descriptions of the items claimed and the value of the individual claims?

Mr Quaedvlieg: Yes, I will take that on notice.

*Answer:*

Between 1 February 2015 and 25 May 2015 there were 401 claims for return of seized goods made in accordance with section 205B of the *Customs Act 1901* (Cth).

- a. The attached document shows the date each claim was received by the Australian Customs and Border Protection Service and a description of the seized goods. The value of the seized goods is not recorded in the system used to record the claims received.
