Senator Bilyk, Catryna (L&CA 22) asked:

CHAIR: As a question from me, perhaps, on notice, could you let me know why the department would have any knowledge of outgoing mail?

Mr Pezzullo: We will respond, on notice, when we wrap all of this up.

Senator BILYK: I just want to clarify, because I was a bit distracted there looking for the emails. Did you say no letters were returned?

Mr Pezzullo: No. I am just saying that we will need to look at it on notice.
