

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
BUDGET ESTIMATES 2017

Attorney General's Department

Program: 1.1 AGD Operating Expenses - Civil Justice and Legal Services

Question No. BE17-007

Senator Pratt asked the following question on 24 May 2017:

Senator PRATT: Are you able to advise us what labour hire companies you do use?

Mr Anderson: I would have to take that on notice.

Senator PRATT: You do not have any general knowledge about that. I can understand in order to give me a comprehensive list you would need to take that on notice. Do you, for example, know whether any of the existing companies that you use use Plutus?

Mr Anderson: My understanding is that we do not, but we are a national department. Also, given that the royal commissions are treated as part of the department for administrative purposes, it would be better to check.
