**BUDGET ESTIMATES 2017**

**Attorney-General's Department**

**Program: 1.1 AGD Operating Expenses - Civil Justice and Legal Services**

**Question No. BE17-046**

**Senator Fawcett asked the following question on 25 May 2017:**

Senator FAWCETT: Mr Moraitis, my questions go to organised crime. Before I get to the substantive part, I would like to put one question on notice. In July 2011, the House of Representatives Standing Committee on Social Policy and Legal Affairs issued a report looking at advertising standards. Recommendation 2 of that called for a number of actions by the Attorney-General's Department, including a review of the self-regulatory system and then five-yearly reviews. Could you get back to the committee with an update on what action was taken against recommendation 2 and whether those reviews are in fact ongoing. Thank you.

**The response to the honourable Senator's question is as follows:**

This question is a matter for the Department of Communications and the Arts.
