

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
BUDGET ESTIMATES 2017

Australian Federal Police

Question No. BE17-065

Senator Wong asked the following question on 25 May 2017:

Senator WONG: Thank you. The next was—to truncate this—that I think the table that you referred me to is a table attached to both AE17/029 and AE17/030. I think they are identical tables—is that right? It is a disaggregation of the departmental appropriation funding?

Mr Wood: Is that about the answers to questions on notice?

Senator WONG: Yes.

Mr Wood: I think I referred to it. We did not actually talk about the answers themselves.

Senator WONG: You referred to it, yes.

Mr Wood: We undertook to update it.

Senator WONG: Rather than me going through this, I think the best way—and it seems to me they are identical tables—

Mr Wood: They are. I can confirm that.

Senator WONG: Yes. Can you just update those.

The response to the honourable Senator's question is as follows:
