

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS

BUDGET ESTIMATES 2017

Australian Federal Police

Question No. BE17-066

Senator Wong asked the following question on 25 May 2017:

Mr Wood: We are just confirming. We may be very close to having the periods of time. We have actually spoken to three of the four law enforcement liaison officers who have worked in Minister Keenan's office, and they have all confirmed that they have not made any complaints in their time as the liaison.

Senator WONG: And you will, on notice, give me the time frames and whether or not any Comcare claims have been lodged? Comcare is the relevant insurer for you, isn't it?

Mr Wood: The workers comp insurer, yes.

The response to the honourable Senator's question is as follows:

There were no Comcare claims submitted by any of the four law enforcement liaison officers.
