BUDGET ESTIMATES HEARING : 22 May 2017

IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(BE17/298) - Muslim Migrant in Australia - Statistics - Programme 2.2: Migration

Senator Roberts, Malcolm (L&CA) written:

What is the number of Muslims in Australia that have not integrated into the Australian economy, democracy & culture compared to other previous migrant groups?

What is the number of Muslims in Australia that have been lobbying governments for separate laws like Sharia Law & other separate, inefficient and unfair privileges like Halal Certification?

What is the number of prominent Muslim leaders in Australia who have not condemned Radical Islamic terrorism, jihad or a caliphate?

Is Islam (particularly of the Middle Eastern & Central Asian variety, as opposed to say East Asian variety) more prone to misogyny, bigotry & violence than any other world religion, culture or ideology since Soviet Communism, German Nazism or Japanese Fascism?

Answer:

The Department of Immigration and Border Protection does not keep information or statistics on any of these aspects.
