Dear Ms Dunstone

Error of fact correction to the Proof Hansard

Please find below an error of fact correction to page 104 of the Proof Hansard of the Legal and Constitutional Affairs Additional Estimate hearing on 20 October 2014.

I advised that all Airline Liaison Officers (ALOs) employed by the Department of Immigration and Border Protection are always Australian nationals. The correct answer is that the department currently employs one dual British / South African national as a locally engaged ALO. This officer works as the local partner of a Senior ALO who is an Australian Citizen. All other ALOs are Australian Citizens.

Yours sincerely
