Senator Ludwig (Written) asked:

Since Budget Estimates in June, 2014:

- a. List all interactions between the department/agency with any representative listed on the lobbyist register
- b. List the participants in the meeting, the topic of the discussion, who arranged or requested the meeting, the location of the meeting
- c. List all interactions between the Minister/parliamentary Secretary and/or their offices with any representative listed on the lobbyist register during the specified period. List the participants in the meeting, the topic of the discussion, who arranged or requested the meeting, the location of the meeting

*Answer:*

The Lobbying Code of Conduct does not require government representatives to centrally document interactions with registered lobbyists. To provide the level of detail requested would be an unreasonable diversion of resources.
