Management

Senator Hanson-Young, Sarah (L&CA 107) asked:

Senator HANSON-YOUNG: I was asking specifically of offshore, but, if you have onshore figures there, I am happy to take those as well.

Mr Skill: In 2014-15, there have been two diagnoses of active tuberculosis in Manus and there has been one diagnosis of active tuberculosis on Nauru.

Senator HANSON-YOUNG: Was the active diagnosis in Nauru of an adult or a child?

Mr Skill: I would have to take that on notice; I do not have that detail readily available.

Senator HANSON-YOUNG: Could you get that for me, please?

Answer:

It was a minor.
