**(SE16/111) - ANAO Report - integrity issues - Internal Product (DIBP)**

Senator Carr, Kim (L&CA) written:

In relation to integrity issues outline in the ANAO Report:

Does this include staff that created false documents as part of the ANAO report?

How many internal investigation cases are still waiting for investigation?

How many cases for investigation lapsed because the staff member left the department?

*Answer:*

The details contained in the ANAO report are currently being assessed to determine if any individual has breached the Australian Public Service (APS) Code of Conduct.

As the assessment is underway, it is too early to identify if any individual has breached the APS Code of Conduct or to determine the identity of such persons.
