Senator Marshall, Gavin (L&CA) written:

Who were the assessment entities for engineer skilled migration and what fees were paid by government for migration assessments in:

- a. 2013/14
- b. 2014/15
- c. 2015/16

Answer:

Engineers Australia (of Engineering House, 11 National Circuit, Barton ACT 2600) is the relevant assessing authority for skills assessments for migration purposes.

Payment of any fees for a skills assessment is the responsibility of the person requesting the assessment. The Government does not pay fees for this service.

The Engineers Australia website at <https://www.engineersaustralia.org.au/migration-skills-assessment/assessment-fees>, provides a schedule of their fees.
