Dear Senator Heffernan

I have reviewed the proof Hansard of the Senate Rural and Regional Affairs and Transport Legislation Committee of 9 February 2016 and wish to make a correction to the evidence I gave.

The correction relates to my response to a question from Senator Bullock. The relevant dialogue is on page 136 of the proof Hansard. I have included the question and response from Hansard in this letter, followed by the corrected response.

Senator BULLOCK: Do you know who created the form?

Dr Clegg: *Greyhounds Australasia would be the owner of the form.*

Correct response: The form was created by the department in 2006 to collect some data on the reasons greyhounds were exported. It was voluntary and had no bearing on the assessment of applications to export greyhounds. It was removed from the department's website in September 2015.

Thank you for the opportunity to correct the errors in my evidence to the committee.

Yours sincerely

Narelle Clegg
Assistant Secretary
