Question: 200

Division/Agency: Information Services Division

Topic: Domain Usage

Proof Hansard page: Written

Senator LUDWIG asked:

Since the change of Prime Minister on 14 September 2015:

1. Please provide a breakdown of the domain usage for the 50 most utilised (by data sent and received), unique (internet) domains accessed by the minister's office. Please provide:
 - a. Domain name of the website being accessed (or IP address if the domain is unavailable in the tracking system).
 - b. Amount of data downloaded and uploaded to the site.
 - c. Number of times the site was accessed.

Answer:

Table A – Domain Usage provides a breakdown of the domain usage for the 50 most utilised internet domains accessed by the minister's office based on data sent and received. This information covers minister's office web access from 14 September 2015 to 9 February 2016.

- a. The Domain column lists the top 50 sites accessed by the Minister's office based on data sent and received.
- b. The Total Bytes column displays the total data sent and received for each domain.
- c. The Requests column displays the number of times the domain was visited during the period.
