*Figures in each year represent the cash payment provided to each LGA in the Northern Territory. Accelerated payments are included in the year in which they were paid.

Fluctuations in totals across years are largely due to the previous government's decision to accelerate payments. An accelerated payment has been made each year since the 2009-10 Budget.

The following represents the accelerated payment measures for the funding years provided:

- 2013-14 Budget - a decision was made to accelerate 50% of the 2013-14 FAGs allocation into 2012-13.
- 2012-13 Budget - a decision was made to accelerate 50% of the 2012-13 FAGs allocation into 2011-12.
- 2011-12 Budget - a decision was made to accelerate 25% of the 2011-12 FAGs allocation into 2010-11.
