Chair
Senate Regional Affairs and Transport Legislation Committee
Department of the Senate
PO Box 6100
Parliament House
CANBERRA ACT 2600

Dear Senator Heffernan

The department provided an incomplete answer to a question taken on notice at the Supplementary Budget Estimates hearing by the Senate Regional Affairs and Transport Legislation Committee on 20 November 2014, which I would like to correct.

In response to question 175 on Cloud Services and Storage, the cloud services for recruitment were not listed in the response to question 3 requesting a list of cloud services in use or being considered for use by the department.

The correct response now includes these services.

I enclose a standalone copy of the corrected response.

Yours sincerely
