**Question No:** 373

**Topic:** Legal costs

**Hansard Page:** Written

**Senator Boyce** asked:

What sum did each portfolio department and agency spend on legal services this financial year to date from the Australian Government Solicitor? Please provide a list of each service and costs.

**Answer:**

The Department is unable to provide year-to-date portfolio expenditure on legal services from the Australian Government Solicitor without diverting substantial resources.

Due to the complexities involved and the high level of resourcing required across the portfolio to collect the information, legal services expenditure is obtained and published once a year in the Department's Annual Report.
