We're always searching for ways to help you get more out of Telstra. And we've found a way to save your business on two of its most valuable resources – with Telstra Single Bill and Telstra Rewards.

### \$50 Credit

Bring your full service business fixed line to Telstra before 30 June and receive a \$50 credit on your bill†.

### Save Time

Simply switch your full service fixed line to Telstra and you can significantly cut down on your administration time. How? Well, by having both your eligible mobile and fixed lines with us, we can give you both your accounts on one bill. It's called a **Telstra Single Bill**^ and with it, you also get the choice of the billing period that suits your business – monthly, bi-monthly or quarterly. And, to save you even more time and hassle, there's only one number to call for all your billing enquiries.

### Save Money

When you have your eligible mobile and full service fixed line together on a Telstra Single Bill, you can join our **Telstra Rewards\* Package** – and qualify for a 5%\* discount off relevant calls across both services.

**5% Telstra Rewards Package**

**= 5% Discount**

You could also get Telstra BigPond™ for less by combining it with your Telstra fixed line and eligible Telstra Mobile on a Single Bill with Telstra Rewards^. Because when you add a Telstra BigPond™ service to your Telstra Rewards\* Package, you'll get 10%\* off all relevant calls and Internet charges.

**10% Telstra Rewards Package**
