Hansard Page: E24 (10/02/2010)

Senator CAMERON asked:

Senator CAMERON—I have a question about the academics who have visited from overseas—the visiting researchers. Could you provide a list of who has visited over the past few years?

Mr Banks—Certainly.

Senator CAMERON—And their qualifications and the like?

Mr Banks—Most of them would have been Australian. We have on our website an indication that people can apply for this. We would have probably no more than one or two at any particular time. Most of them have been Australian, but we are happy to provide that.
