

Senate Standing Committee on Economics
ANSWERS TO QUESTIONS ON NOTICE
Industry, Innovation, Science, Research and Tertiary Education Portfolio
Additional Estimates Hearing 2011-12
15 February 2012

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, INNOVATION, SCIENCE, RESEARCH AND TERTIARY EDUCATION

TOPIC: Green Car Innovation Fund

REFERENCE: Written Question – Senator Bushby

QUESTION No.: AI-155

Further to Ms Butler's answer on 15 February 2012, how much in total of the spending on the Green Car Innovation Fund was spent on (a) IT and (b) property? What was the nature of the spending, specifically, on property?

ANSWER

Of the approximately 18 per cent which Ms Butler advised was attributed to overheads, around 10 per cent relates to Property Operating Expenses and around 3 per cent relates to Desktop ICT Services Costs.
