Topic: Resource Super Profits Tax Revenue

Hansard Page: Written

Senator ABETZ asked:

1. What are the government's projections for RSPT revenue after 2013/14?

Answer:

The RSPT is no longer Government policy. Full details of the impact of the change to the Minerals Resource Rent Tax were provided in the Government's economic statement of 14 July 2010. It is not usual practice for governments to release the medium and long term revenue impacts of individual measures.
