Question: **BR2**
Topic: **Carbon net Project**
Proof Hansard Page: **11**

Senator Milne asked:

Senator MILNE: I want to go to its involvement in the Carbon Net project. The Victorian government Department of Primary Industry's Carbon Net proposal is one of the shortlisted projects under the Carbon Capture and Storage Flagship program. Can the department table the Carbon Net application to the CCS Flagship?

Ms Sewell: I think that I will have to take that on notice.

Answer:

All CCS Flagships submissions contain sensitive technical and commercial information that are in confidence between the companies and the Government. The Department cannot table the CarbonNet CCS Flagships submission.
