Budget Estimates Hearing 2012-13
28 and 29 May 2012

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, INNOVATION, SCIENCE, RESEARCH AND TERTIARY EDUCATION

TOPIC: Clean Technology Innovation Centre - annual spend on admin and overheads

REFERENCE: Question on Notice (Hansard, 29 May 2012, [page 26](#))

QUESTION No.: BI-63

Senator COLBECK: How much is spent annually on admin and overheads for the Clean Technology Innovation Centre? How many business reviews has it completed?

Ms Zielke: I can tell you how many business reviews it has completed, but I would need to take the costs on notice. To date, the Clean Technology Innovation Centre has provided business reviews to 296 clients since it was established in 2009-10.

ANSWER

Approximately \$418,000 (GST exclusive) per year.
