Budget Estimates Hearing 2012-13
28 and 29 May 2012

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, INNOVATION, SCIENCE, RESEARCH AND TERTIARY EDUCATON

TOPIC: AusIndustry Website

REFERENCE: Question on Notice (Hansard, Tuesday 29 May 2012, page 40)

QUESTION No.: BI-80

Senator COLBECK: You mention the AusIndustry website, and there was a recent revamp of that site. Can you give us a sense of what that cost and again how many ASL are responsible for maintaining it on a daily basis?

Mr Pennifold: We took that on as a capital project within the department with a quite specific project plan. I will take that question on notice and we can give you the actual cost of building that site and bringing it online.

ANSWER

The AusIndustry website (www.ausindustry.gov.au) was developed and designed in house by the department at a cost of approximately \$300,000 with 4.3 ASL responsible for maintaining the website and its content on a daily basis.
