State	Building address	Applicant	Project description	Grant amount (incl. GST)	Electorate
ACT	10a Brindabella Circuit, Canberra Airport	Canberra Airport Pty Limited	Provision of additional electricity and water thermal energy meters in the existing shared central plant to facilitate better tuning and improved efficiency due to the improved understanding of building operation and more effective NABERS management.	\$173,800.00	CANBERRA FRASER
ACT	51 Allara Street, Canberra	Abacus Funds Management Limited as responsible entity for Abacus Allara Street Trust	The project involves an upgrade of building services including replacement of lighting and controls, car park ventilation improvement, monitoring of CO2, air supply system balancing, chiller upgrade, and replacement of air handling units.	\$550,000.00	FRASER
ACT	Allara House, 1-5 Constitution Avenue, Canberra	Commonwealth Managed Investments Limited as Responsible Entity for Commonwealth Property Office Fund	Mechanical Services and Lighting Upgrade. Activities include replacing the existing inefficient building air conditioning cooling plant with the latest technology low load chillers; and upgrading common area lighting.	\$257,859.80	FRASER
ACT	Building 4, 153 Emu Bank Drive, Belconnen	Hawkesbury Nominees Pty Limited as trustee for Hawkesbury Trust	This project aims to upgrade the building by installing new equipment and controls, including BMCS, magnetic bearing chiller, cooling tower, VSDs to motors and swirl air diffusers. Reconditioning and monitoring of services are to achieve maximum energy efficiencies.	\$550,000.00	FRASER
ACT	Customs House, 1-5 Constitution Avenue, Canberra	Commonwealth Managed Investments Limited as Responsible Entity for Commonwealth Property Office Fund	Mechanical Services and Lighting Upgrade. This project will replace the existing inefficient building air conditioning cooling plant with the latest technology low load chillers; and upgrading the common area lighting.	\$276,888.70	FRASER
ACT	Nara Centre, 1-5 Constitution Avenue, Canberra	Commonwealth Managed Investments Limited as Responsible Entity for Commonwealth Property Office Fund	Mechanical Services and Lighting Upgrade. This project will replace the existing inefficient building air conditioning cooling plant with the latest technology low load chillers; and upgrade common area lighting.	\$249,913.40	FRASER
