**Question**

Consultation to Improve Campus Services

What measures will the Government take to ensure that postgraduate interests are sufficiently represented during this review process?

**Answer**

The Government invited representatives from post-graduate student associations to attend the consultations held in each state and territory capital and in three regional locations. Post graduate student associations were also invited to make written submissions to the review.

Eighteen representatives from post-graduate associations attended 10 of the 11 meetings held with the higher education sector.
