**Question**

**SPECIAL PROMOTIONAL MATERIAL**

Senator CORMANN—Can you answer for me the question that was not answered in the answers to questions on notice, and that is: whether any special promotional material was provided by the department to the minister's office for circulation with members of the House of Representatives or senators? Ms Paul—I am not sure we would have that here. It is going back some time, but I am happy to take it on notice. We probably would have to take it on notice.

**Answer**

The Department did not prepare any special promotional material to be provided to members or senators for Round One of the Jobs Fund. The Department is not aware if the Minister or his office prepared any special promotional material for members or senators.
