2004-2005 BUDGET ESTIMATES HEARING**

**Outcome:** 2

**Output Group:** 2.4 – Funding for Higher Education

**DEST Question No. E121\_05**

Senator Carr asked on 3 June 2004, EWRE Hansard page 47.

**Question:**

I am asking you about your discussions with the Department of Health because, presumably, a proposal like this was initiated by the health department, not you.

(Hansard transcript indicated that witnesses agreed that this question was not one that the Department could respond to)

**Answer:**

*Department of Health Discussions*

This is not an appropriate question for the Department to answer as it relates to policy advice to the Minister.
