**SENATE LEGISLATION COMMITTEE – QUESTIONS ON NOTICE
2005-2006 BUDGET ESTIMATES HEARING**

Outcome: CSIRO
Output Group: CSIRO

DEST Question No. E230_06

Senator Carr provided in writing.

Question:

What sources of income make up CSIRO external revenue calculations?

Does it involve revenue from state governments or from federal departments, outside of appropriations?

Answer:

CSIRO has provided the following response.

External Revenue – sources of income

CSIRO's external revenue includes revenue from all sources other than direct Appropriation. This includes revenue from contracts/agreements with state and federal government departments and agencies as well as revenue from the Australian private sector, overseas entities, IP and royalties and other revenues such as interest.
