Question:

Re: Melbourne Institute of Business and Technology

Have you had their credit transfer arrangements with their Indonesian operations brought to your attention?

Answer:

Melbourne Institute of Business and Technology Pty Ltd

The Department has not had the credit transfer arrangements of the Indonesian operations of the Melbourne Institute of Business and Technology Pty Ltd (MIBT) previously brought to its attention.

The credit transfer arrangements described on MIBT's websites, including MIBT Indonesia, do not contravene any aspect of the *Education Services for Overseas Students Act 2000* (the Act) or the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (National Code).
