Question:

Senator Crossin provided in writing:

How many Community Work Coordinators are employed by DEWR? Can we have a breakdown of locations? How closely do these coincide with CDEPs?

Answer:

There are 117 Community Work Coordinators (CWCs) contracted by DEWR to develop and manage Work for the Dole placements and administer Community Work placements primarily within Employment Services Areas (ESAs) nationally.

A total of 222 CDEPs operate nationally. Unlike CWCs, CDEP organisations are not contracted on an ESA basis.

Attachment A lists CWCs and CDEPs against their operating ESAs. The data in this attachment is current as at 27 July 2005.
