SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE 2006-2007 BUDGET ESTIMATES HEARING

Outcome: 1

Output Group: 1.1 – Funding for Schools

DEST Question No. E288_07

Senator Wong asked on 1 June 2006, EWRE Hansard page 77.

Question:

Can they also check this: can they confirm that the school also receives state grants of around \$2,000, being the estimated rate for a former category 10 school? My understanding is that the appropriate reference for that is table 3.10 in the MCEETYA National Report on Schooling in Australia.

Answer:

State funding of St Joseph's

State grants to non-government schools are provided by the relevant State/Territory governments

Table 3.10 in the 2004 *MCEETYA National Report on Schooling in Australia*, reflects the State per capita amounts for recurrent funding to non-government schools for that programme year. However, confirmation of State grants received by St Joseph's would need to be obtained from the New South Wales Non-Government Schools Funding Unit, Department of Education and Training.
