DEEWR Question No. EW0362_10

Senator Hanson-Young asked on 4 June 2009, EEWDR Hansard page 45.

Question

Average living cost for a student living in Melbourne

Senator Hanson-Young —Has the department got any figures on what the average living cost for a student living in Melbourne and attending the University of Melbourne or RMIT?

Dr Morehead—We could take that on notice.

Answer

The Department does not model information on the average student costs at the listed educational institutions.

The University of Melbourne provides a range of estimated living costs for students on their website. This can be accessed at:
