Senator Carr asked in *writing*:

Have you received advice from a member of the public that you have provided inaccurate and/or misleading or incomplete information to this Committee in responses to Questions on Notice from the June 2003 Estimates?

Answer:

Yes. A letter dated 29 September 2003 from Mr Bruce Ford was sent via email to Barry Leahy, CEO Comcare, alleging that Mr Leahy refused to provide information and provided incorrect information to supplementary questions on notice asked by Senator Carr at the June 2003 Senate Estimates sessions.
