EMPLOYMENT PATHWAY PLANS

What percentage of streams 2-4 job seekers are entering into an Employment Pathway Plan in the first three months of servicing?

Answer

From the period 1 July 2009 to 30 September 2010, 99.8 per cent of Streams 2-4 job seekers entered into an Employment Pathway Plan (EPP) within three calendar months of commencing to receive employment services.

Job seekers who did not enter into an Employment Pathway Plan within the three calendar months with their employment services provider usually have a current approved Employment Pathway Plan which was prepared by Centrelink.
